

**PADI-VALORED  
ANNUAL REPORT  
FOR THE PERIOD FROM APRIL 2009 TO MARCH 2010**

**INTRODUCTION:** With every year that passes PADI has grown richer and wiser with its experiences and learning. New programmes, new ventures and new relations has helped PADI to learn a lot side by side to render its services to various sectors of the working for the children and for their rights has made us realize we have a long way to go in bringing justice to the children. Our activities and programmes in the past 6 months in a nutshell can be understood under the following heads.

1. ASER STUDY
2. SSA PROGRAMME FOR MUSLIM LEADER
3. EDUCATIONAL AWARENESS PROGRAMMES
4. PROGRAMME FOR MINORITY CHILDREN
5. REMEDIAL TEACHING
6. HIV PROGRAMME
7. ADOLESCENT TRAINING
8. SDMC TRAINING
9. CWC ACTIVITIES
10. BASELINE SURVEY OF OLAMOVARU VILLAGE

1. **ASER study:** A Program to assess the educational status of the school going children PADI collaborated with ASER in carrying out this study. PADI carried out this study in D.K. and Udupi District. This helped us to understand the educational system, the loopholes and the quality of Education.
2. **SSA Program for Muslim leaders :** This was a program that was carried out in Mangalore, Bantwal and Puttur taluks under the instructions of SSA. The RC members were involved as Resource Persons and in conducting this awareness programme for the Muslim leaders(Minority). Topics: Importance of Girl Child Education, Community participation, Education and child Rights.
3. **Educational awareness programmes:** Educational exposure programme were also organized for the Muslim minority children in batches of 50, 5 batches of children were taken to important historical places of Dakshina Kannada and Udupi District.
4. **Programmes for the minority children in collaboration :** In Collaboration with SSA, PADI and RC members were involved in muslim minority children's creativity camp and Makkala Mela (Child fest) at Bantwala, Mangalore, Puttur, Sullia and Moodbidri.
5. **Remedial Teacher programme:** Parihara Bodane a Government introduced programme to upgrade the learning skills of slow learners. PADI was involved in conducting a survey to find out how effective this programme was in all the primary schools and if the slow learners have really benefited. 30 villages at random were selected for the survey. It showed that there a still drop outs although the school records show otherwise.
6. **HIV Programme:** Along with the local NGO's and people of Vorkady PADI organized a programme on Veena's work on HIV and later two workshops were also conducted in continuation of this programme.
7. **Adolescent Training program:** In collaboration with the Education Department 3 days camp were conducted for adolescent girls in Karkal. 7 such camps were conducted. The topics dealt upon were adolescent health Education , Career guidance, moral values, social issues, Physical and physiological changes and child rights.

8. **SDMC Training:** Once again this year too SDMC training were conducted in Dakshina Kannada and Udupi District. PADI along with the RC members conducted these training in various schools cluster wise. PADI is also a member of the state SDMC committee.
9. **CWC:** PADI is also actively involved in the CWC sittings and follow-up. A number of Child abuse and abandoned. Runaway and trafficking children cases were identified by the RC members and referred to CWC.
10. **Baseline survey of Olamogaru Village:** In Olamogaru Villages of Puttur Taluk the RC members with PADI and the support of the local panchayath a baseline study was conducted. This study will give us a clear picture of their educational status, economic status, violation of child Rights and health status of the families. If this study is a success we hope to conduct similar studies in other Panchayaths.

Besides the above PADI was also involved in guiding 30 MSW students who were placed for field work at our Project from various colleges from in and around Mangalore, Puttur and Udupi.

PADI was also fortunate in getting the VALORED project this time and following were the activities carried out in the first year of this phase. These activities are as per the approved budget from the funding agency.
